FINANCIAL ASSISTANCE

Depending on your age, income and family size, government assistance may help you save on monthly premiums and medical services. You may be surprised to learn that most people qualify for some assistance. We can help you find out if you’re one of them.

Here are three more reasons why you should choose Horizon BCBSNJ—New Jersey’s largest, most trusted health insurer:

- » New Jersey’s largest network of doctors and hospitals*

Why do I need health insurance?

Even if you're generally healthy, you could get sick or injured. And if you don't have health coverage, medical care can be expensive.

That's why the Affordable Care Act says that nearly everyone needs to have health insurance. You may think you don't need health insurance, but by sharing the cost of medical care across all of us—even those of us who are healthy right now—health insurance makes care affordable when you *do* need it.

Health insurance helps pay for doctors, medical tests, hospitalization and prescription drugs. To help you stay well, it also pays for routine preventive care. Of course, how much your coverage will pay—and how much you'll pay—depends on the plan you choose. Read on to learn all about our individual health plans, how to compare costs and benefits, and how to pick the one that's right for you.

Am I required to buy health insurance?

Yes. If you don't have health coverage, you could be subject to a penalty on your next year's tax return. Wouldn't it be better to put your money toward health coverage (and possibly getting help to pay for it) rather than toward paying a penalty?

To buy an individual health plan from Horizon BCBSNJ, you must:

- » Be a New Jersey resident
- » Not be covered under another group or employer health plan
- » Not be eligible for Medicare*

**If you're eligible for Medicare, Horizon BCBSNJ has other options for you. Visit Medicare.HorizonBlue.com or call 1-877-234-1240.*

Can I get help with paying for health insurance?

Under the Affordable Care Act, you may qualify for financial help from the government:

Premium assistance reduces your monthly cost for coverage, which means you pay less out of pocket.

You may also qualify for:

Cost-sharing subsidies, which lower the amount you have to pay in deductibles, copayments and coinsurance.

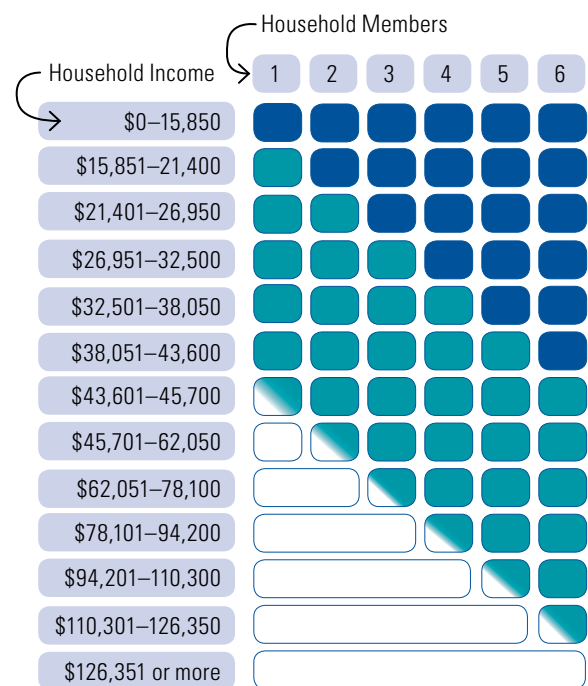

How much assistance could I get?*

That depends on your household income and the number of people in your household, along with other factors. The chart to the right will give you a good idea. For a more complete financial assistance estimate, visit HorizonBlue.com/Estimator.

- 1 Find the number of people in your household, including yourself, at the top of the chart.
- 2 Choose the dollar range on the left that comes closest to your household income.
- 3 Find the spot where your Household Members column and your Household Income row meet. If you land on a colored box, you may be able to get help with paying for health insurance.
- 4 Think you may qualify for help? Several factors besides household income and size can affect your eligibility.

Visit HorizonBlue.com/Estimator, answer a few questions and find out just how much you could save.

- 5 Write your estimated premium assistance amount (if any) from HorizonBlue.com/Estimator below.

- Eligible for financial assistance
- Eligible for Medicaid

Compare Plan Types

Gold, Silver or Bronze?

Under the Affordable Care Act, individual health plans are organized by “metal.” The idea is to make it easy for you to compare similar plans from different insurers.

Each metal—Gold, Silver and Bronze—corresponds to how much you pay versus how much we pay.

In addition to plans at the Gold, Silver and Bronze levels, Horizon BCBSNJ offers a low-cost, high-deductible Essentials plan for individuals under age 30.

GOLD

- » Higher monthly premiums
- » 80% coverage (you pay 20%)
- » Good choice if you expect to use a fair amount of medical services

SILVER

- » Mid-level monthly premium
- » 70% coverage (you pay 30%)
- » Cost-sharing subsidies may be available
- » Good choice if you want a balance between monthly premiums and out-of-pocket expenses

BRONZE

- » Low monthly premium
- » 60% coverage (you pay 40%)
- » Good choice if you don’t expect to use a lot of medical services

ESSENTIALS

- » Low monthly premiums
- » Highest deductible
- » 100% coverage after deductible
- » Good choice if you are under age 30, healthy and don’t expect to use a lot of medical services

Advance or Advantage?

For individuals and families, Horizon BCBSNJ offers two kinds of plans. Each provides medical and pharmacy benefits, including wellness and emergency care.

		HORIZON ADVANCE EPO	HORIZON ADVANTAGE EPO

Terms to know:

Premium: What you pay each month for health insurance coverage.

Copayment: The amount you must pay for each medical visit to a participating doctor or other health care provider, usually at the time of service.

Coinsurance: The percentage of a covered charge that you are responsible for. For example, if you have 20% coinsurance, your plan pays 80% of covered charges and you pay 20%.

Deductible: The amount of covered charges you must pay each year before benefits are paid by your plan.

Out-of-Pocket Maximum: The most you must pay for covered health care services during a plan year. Once you have reached your out-of-pocket maximum, your plan pays 100% of covered costs for the rest of the year.

What's an EPO?

EPO stands for Exclusive Provider Organization. Horizon EPO plans offer affordable care when you use participating doctors, specialists and hospitals. Depending on the plan you choose, you may need to select a PCP who will coordinate your care and make referrals to specialists when needed. Except for emergency care, out-of-network care is not covered.

What's Patient Centered Care?

With the new Horizon Patient Centered Advantage EPO Silver plan, your care is coordinated by your Patient Centered doctor, along with a team of health professionals who closely monitor your health and respond to your specific needs. Along with covered preventive services, medical screenings and wellness programs, you'll have access to New Jersey's largest patient centered network. It's all part of our commitment to transforming health care delivery with superior member experience and care.

Under 30 years old? Check out the Horizon Essentials Plan

A low-cost option that complements an active, healthy lifestyle.

Questions to consider:

How much medical care do you typically use?

A lot — You see doctors often, and not only for preventive care. You may have a chronic condition and/or take maintenance medications.

Consider: Gold or Silver plans with higher premiums, but lower deductibles and out-of-pocket costs.

Not much — You get an annual checkup and preventive care, but rarely see doctors otherwise.

Consider: Silver or Bronze plans with lower premiums, but higher deductibles and out-of-pocket costs; Essentials plan (under age 30 only).

Would you pay more for greater flexibility?

No — You will need a Primary Care Physician (PCP) referral to see a specialist. Hospitals with the **P** icon in our provider directory will cost less.

Consider: Advance EPO plans. You must select a PCP.

Yes — You won't need a Primary Care Physician (PCP) referral to see a specialist.

Consider: Advantage EPO plans. You can choose a PCP, but it's not required.

Are you under age 30 and generally healthy?

No

Consider: Gold, Silver or Bronze plans.

Yes

Consider: Advantage EPO Essentials plan with a low premium but high deductible, and no copayment for your first three PCP visits each year.

Are you eligible for cost-sharing subsidies?

You must choose a Silver plan in order to take advantage of them.

Plans & Benefits

Things to consider when choosing a plan...

All plans include 10 categories of essential health benefits.

- » **Advance Plans** require a referral before you can see a specialist. Where you get two numbers for a deductible or coinsurance amount, the first applies if you get services at **P** hospitals and the second if you use services at non-**P** hospitals. Check the provider directory at Directory.HorizonBlue.com for details.
- » **Advantage Plans** don't require a Primary Care Physician or specialist referrals.
- » **The Patient Centered Advantage Plan** offers additional savings when you choose a Patient Centered doctor to coordinate your care.
- » **The Essentials Plan** is a low-cost, high-deductible option designed for healthy individuals under age 30.
- » **Gold, Silver and Bronze** plan levels correspond to how much you pay versus how much Horizon BCBSNJ pays when you get care.

Learn about Dental Coverage

Covering a child under age 19?

Under the Affordable Care Act, you're required to purchase comprehensive pediatric dental coverage for children covered under your family plan. To help you meet this requirement, we offer Horizon Young Grins dental coverage.

HORIZON YOUNG GRINS DENTAL PLAN

The Horizon Young Grins dental plan emphasizes prevention and early intervention through routine oral screenings and evaluations, all to help keep those young grins healthy and looking their best.

Note: Do you have comprehensive pediatric dental coverage from another insurer? Just let us know, and we'll waive the Horizon Young Grins coverage requirement for your children. The additional monthly premium for Horizon Young Grins coverage is \$29.78 per child under age 19. For three or more children under age 19, you'll pay a maximum of \$89.34 monthly.
